2019 Product Plan

Please list below all items you plan to sell at the market this season. Agricultural Products on this page, all other products on the next page. Other products include non-ag products, value-added ag products, and items you wish to broker. Produce Vendors may simply attach their NYS Crop Plan if available. All new products and brokered products must be approved by the Vendor Selection Committee.

Agricultural Products			
Product	**Quantity/Volume**	**Months Available**	**Is this a new product?**

Other Products (produced by you)			
Product	**Quantity/Volume**	**Months Available**	**Is this a new product?**

Brokered Products

Please reference Rule #26 for guidelines on brokering items.

Product	Quantity/Volume	Months Available	Is this a new product?
